WHY MECHANIX GLOVES WORK

INNOVATION
Mechanix Wear is defined by hard work and bold thinking through innovative design, industry leading material technology, and superior build quality. We invest in new technology and manufacturing processes to produce the most advanced gloves for working hands. From concept to finished product, you can count on Mechanix Wear innovation to Work Faster, Work Safer, and Work Cleaner.

QUALITY
We’ve assembled a supply chain that works as hard as our customers. Therefore, we go to extremes to supervise the manufacturing and material quality of our gloves. Mechanix Wear quality control specialists actively inspect the fit, feel and functionality of our gloves before they ship to you.

EXPERIENCE
Over 25 years in professional racing has led to the development of advanced materials and proprietary design features only found in Mechanix Wear hand protection. We work hand-in-hand with safety professionals in hazardous industries to develop specialized hand protection for the constantly evolving workplace.

BRAND RECOGNITION
Mechanix Wear reaches millions of hard working hands through television, print, radio, social media and racing events around the world. The undisputed #1 glove in racing is used by NHRA, Supercross, Motocross, IndyCar, V8 Supercars and all 40 NASCAR teams. Your customers will ask for us by name, Mechanix Wear® Gloves.
